

Vegetable Production Program for North Texas

Texas AgriLife Extension Service will present an educational program entitled “**Vegetable Production for North Texas**” on **Friday, March 5th, 2010 from 8:30 a.m. to 12:00 noon**. The program will be conducted at Myers Park and Event Center. The program will consist of 3 major topics, which include:

- Basics of Commercial Vegetable Production
- Pest Management for Vegetables
- Vegetable Disease Management

The speakers will include:

- Steve Upson, Horticulturalist, Noble Foundation
- Allen Knutson, Ph.D., Professor and Extension Entomologist
- Greg Church, Ph.D., Extension Horticulture Agent

Two **CEU's** will be offered for attending to those that have a Private Applicators License. There is a **\$10 registration** fee to attend the event and we ask that you pre-register for the event by calling the Collin County Extension office at 972-548-4233 on or before Tuesday, March 2nd. Lunch will be provided.

Directions to the Myers Park are as follows:

From McKinney take Highway 380 West to FM 1461. Turn right on FM 1461 and proceed for approximately 2 miles, then turn right on County Road 166 and proceed about 1 mile, Myers Park and Event Center will be on the left.
